DRAFT MINUTES: of an Extraordinary Meeting of the Parish Council held via Zoom video Conference on Monday the 27th July 2020 commencing at 7.33pm.

PRESENT: Parish Councillors: Nigel Parker (Acting Chairperson), Richard Cook and Bert Alvis.
Ruth Waller (Clerk) and 4 members of the public

Cllr Parker opened the meeting at 7.33pm welcoming all those present.

200726/01 To receive and consider apologies for absence. None. All councillors present.

200726/02 To receive Declarations of Interest on items on the Agenda: None declared.

200726/03 To receive comments and concerns from the public: None at this point. The Chairman encouraged Members of the Public to join in with items as the meeting progressed, if they so wished.

200726/04 To consider the following planning applications:

For consideration

i. **20/00580/PIP | Permission in Principle for the erection of up to 8 dwellings and associated vehicular accesses. | Part Parcel 9070 Toddington GL54 5DT:** One objection to this application had been received from a resident. Council considered this and resolved to object to this application stating the following: 'The planned site is within an Area of Outstanding Natural Beauty. Such development will have a detrimental impact on the landscape. This is supported within the National Planning Policy Framework. The development is not included in the emerging Tewkesbury Borough Local Plan.

ii. **20/00639/TPO | T1 - Cedar - Remove,** as per justifications outlined in attached report. | 6 Church Meadows Toddington Gloucestershire GL54 5DB: Council agreed to object to the removal of this tree as no immediate danger had been noted in the report.

For noting:

i. **20/00439/FUL | Erection of a single storey rear extension and installation of window, door, dwarf wall enclosure to front entrance porch. | Little Orchard Church Lane: PERMIT**

200726/5 To consider possible locations for dog waste-bin (previously located on the B4077 opposite Church Lane junction): Possible locations were discussed by those present. But without any suggested locations from Ubico, it was difficult to ensure any suggestion would be acceptable. Council agreed that the best position would be on Church Lane, as near to the corner house as legally possible

200726/6 For Information Only: No further matters raised. No update had yet been received from TBC regarding the Councillor Vacancies.

The Chairman closed the meeting at 8.10pm and thanked everyone for their attendance.

The next full meeting of the Parish Council will be held on 14th September at 7.30pm, again via Zoom video conference.
